WEDDING SIZE & LAYOUT

TWO WAYS TO CELEBRATE

Every Great Pines wedding is built on the same set of inclusions. The difference is scale — and whether your reception sits indoors or under a tent.

THE INTIMATE EXPERIENCE

UP TO 55 GUESTS

An indoor reception in the Lodge Dining Room, with your ceremony outdoors on the Overlook. Includes white padded ceremony chairs and Chiavari chairs for the reception.

THE SIGNATURE EXPERIENCE

56 TO 180 GUESTS

A tented reception on the Green, with the full run of the lawn, the lodge and the lake.

BOTH EXPERIENCES INCLUDE

- Dedicated getting-ready space
- Ceremony, cocktail hour, and reception space
- Ceremony rehearsal
- After-party location — The Lean-To
- Special food packages
- Dessert station
- Gifts & cake table
- Five (5) hour beverage service
- A private tasting with our chef
- Standard tableware, glassware, round tables, high-tops, linens, napkins, etc.
- Wooden ceremony arbor
- Setup and breakdown
- Discounted guest rooms

Above 55 guests, a tented outdoor reception is required. Tenting, sidewalls, dance floor, bistro lighting and guest chairs are contracted on your behalf through a trusted third-party rental partner and are not included in per-person pricing.

Food and beverage is quoted separately, per person, from our *Food & Beverage Wedding Packages* brochure — Silver, Gold and Platinum tiers are available with either experience.

Pricing is quoted with your proposal; a venue fee applies based on event size and scope.

YOUR WEEKEND

YOUR WEDDING WEEKEND

The celebration doesn't have to begin and end with the ceremony. Here's how a Great Pines weekend usually runs.

Photography by Liz Diewald Photography

FRIDAY

Rehearsal dinner or welcome party. A private seated dinner, a relaxed buffet, or a sparkling toast as guests arrive.

SATURDAY AM

The getting-ready experience. Your getting-ready space in the Lantern Room is included; mimosa bars, breakfast sandwiches and full coffee service can be added.

SATURDAY PM

Ceremony on the Overlook, then cocktail hour in the Great Room or the Lodge Dining Room with our signature Grazing Station.

SATURDAY NIGHT

Dinner and dancing until 10:00 PM, then the party moves to the Lean-To for late-night snacks, s'mores and a nightcap.

SUNDAY

Farewell brunch. One last thank-you before everyone drives home — or grab-and-go breakfast sandwiches for the early risers.

Every menu, package and enhancement above — including rehearsal dinners, cocktail hour displays, late-night snacks and farewell brunch — is priced and described in our *Food & Beverage Wedding Packages* brochure.

Pricing is quoted with your proposal; a venue fee applies based on event size and scope.

YOUR WEEKEND

STAY WITH US

Great Pines has 29 on-site guest rooms, so your closest people are a few steps from the celebration all weekend — no late-night drives, no taxis, no goodbyes at the end of the night.

HOW THE ROOM BLOCK WORKS

THE BLOCK

In-season weekend weddings hold a minimum of **eighteen (18) guest rooms for two (2) nights**. Guests book and pay for their own rooms.

BOOKING

We set you up with a booking link or a rooming list — whichever you prefer — and handle the rest.

RATES

Couples receive discounted guest room rates for the block.

FULL BUYOUT

Couples who want the whole property to themselves can arrange a full resort buyout. Ask us and we'll quote it with your proposal.

If the block is not filled by your guests, the couple is responsible for the unfilled rooms. Final block terms are confirmed in your contract.

THE HONEYMOON CABIN

FOR THE TWO OF YOU

A private cabin tucked into the pines, a short walk from the lodge — its own porch and its own quiet. Ask us about reserving it for your wedding night.

FAQS

HOW IS WEDDING PRICING DETERMINED?

Two components: a per-person charge for our food and beverage menus, and a venue fee scaled to the size and scope of your event. Peak dates start at one rate for the Intimate Experience and a higher rate for the Signature Experience; non-peak dates are offered at reduced rates. Your venue fee is quoted with your proposal.

WHICH DATES ARE CONSIDERED PEAK?

Friday through Sunday, June through October — the height of the season on Fourth Lake. Weekdays, and any date outside that window, are non-peak.

WHAT DOES IT TAKE TO HOLD OUR DATE?

A signed contract and an initial non-refundable deposit. From there your remaining balance is divided into scheduled payments across your planning timeline, with your final guest count and final balance due thirty (30) days before the wedding.

ARE YOU BOOKING 2028 WEDDINGS?

Yes. 2028 pricing has not been released yet, so reach out and we'll prepare a custom quote for your date. Once your quote is confirmed, your pricing is locked in.

DO YOU HOST MORE THAN ONE WEDDING AT A TIME?

Never. We host one wedding per day. Your event spaces are reserved exclusively for your celebration and our events team is dedicated to you for the weekend.

WHAT TIME DOES THE RECEPTION END?

Receptions run until 10:00 PM. From there the celebration moves to the Lean-To, our private after-party space, so your guests don't have to say goodnight too soon.

HOW DO EXTERNAL RENTALS WORK?

For tented receptions, certain rentals are required. Once your wedding is contracted, our team coordinates directly with a trusted third-party rental partner on your behalf, reviews layout options with you, and works to secure the best pricing available. Final rental costs are added to your overall event balance.

WHAT HAPPENS IF IT RAINS?

Most ceremonies at Great Pines are held outdoors, so we plan for weather from the start. Tented receptions can be fitted with sidewalls through your rental package, and our events team will walk through backup timing and placement with you as your date approaches — the final call is made together on the day.

IS THERE A GUEST ROOM MINIMUM?

Great Pines has 29 on-site guest rooms. In-season weekend weddings hold a minimum of eighteen (18) rooms for two (2) nights, which keeps your closest people steps from the celebration all weekend. Couples who want the whole property to themselves can also arrange a full buyout.

IS A COORDINATOR REQUIRED?

No. A day-of coordinator isn't required, but if you'd like extra support with timelines we're happy to recommend local coordinators who know the property well.

Menu, tasting, dietary and bar questions are answered in our *Food & Beverage Wedding Packages* brochure.
